About Company

With a successful name in international market, a popular brand named "SOL TILES" is a well-known brand of "Parker Tiles". Since its inception, the company has grown into one of the leading tiles manufacturers in the field of ceramics. The company commenced its operations with its head-quarter at Ahmedabad having the construction area of 50,000 sq. ft. along with the offices in prime cities like Bangalore, Delhi and Mumbai. The factory is managed by highly qualified professionals hence the impressive revolution has taken place in the ceramic industry. Its products have been highly in demand and very popular not only in India but in the global arena too by trending products in the countries like Europe, Middle East, Asia, Africa etc. Recent technology and creations being our prime factors in manufacturing, we have been able to achieve the high magnitude in producing elegant and innovative tiles with radiant designs in various shades. "SOL TILES" is committed to the precious virtues like superior quality products, customer satisfaction, swift services and long term relations with clients so it has been able to establish its name in the field of ceramics as a conqueror in the sphere.

SOL derives its strength from the strong infrastructure consisting of 3 manufacturing plants located at the advantageous locations of Surendranagar and Wankaner, Gujarat. All the three plants are equipped with state of the art, ultramodern equipments to bring out the most accurate and aesthetically superior products. The heart of the company is its corporate office located at Ahmedabad Gujarat. The base of this massive infrastructure is the corporate office that very smoothly streamlines all the other operations i.e. production, sales, administration and keeps the rhythm going. The corporate office coordinates with all the other departments very efficiently.
