Innovations & More...

I N T R O D U C I N G

smart tile

a product with at par beauty and remarkable features is ready to grace the spaces

light weight

Light weight that makes for 40% reduced structure and easy handling.

easy handling

Easy handling and installation without heavy manpower. With ease at your side, you also have speed and effectiveness with you.

strength & flexibility

specially developed body for high strength and flexibility giving perfect stature.

cladding solution

The only Indian product to offer cladding solution so that you can get gamut of solutions under one roof.

zero maintenance

In comparison to paints, comes with less maintenance hassles that practically reduces maintenance cost to the minimal.

Note: Colors shown are as accurate as the limitations of the printing process will allow. Prospective customers are advised to inspect a sample of the tile before ordering. Every effort has been made to ensure the accuracy of the information given. However, the company reserves the right to change the specifications without any notice. Sometimes variations in shade or size being inherent to ceramic industry may occur. Before fixing, we advice you to follow the fixing instructions on the cartons of the tiles as no responsibility can be accepted by the company once the tiles have been fixed.
